**GETTING TO ANCHORAGE:**

Your Anchorage host association has negotiated discount airfares with Alaska Airlines for travel to Anchorage to attend the 2009 NCPAA conference. The discount is valid for travel between the dates of April 30<sup>th</sup> through May 13<sup>th</sup> and provides a 10% savings on all Alaska Airlines fares except Hot Deals. All fare rules still apply. To make reservations on line, go to [www.alaskaair.com](http://www.alaskaair.com) and use e-certificate code number: ECCMA0959. There is no ticketing fee when reservations are made and tickets are purchased on line. You may also call the Alaska Airlines group desk at 1-800-445-4435 and use the same certificate number (ECCMA0959) if you choose to make your flight arrangements by phone. A \$15.00 ticketing fee will apply for reservations made by calling in to the group desk.

Typically, when there are airfare sales coast to coast there are also airfare sales to Alaska, so watch your local paper for those opportunities or check online.
